# **Texas RE NSS Proposal**

**(NERC Standards Subcommittee)**

---

# Goals

- **Increase interest and participation in NERC Standards activities from entities in the ERCOT Region**
- **Share information and perspectives on NERC Standards issues among interested entities in the Region**
- **Provide a mechanism for consideration of Regional issues related to NERC Standards proposals**

# Objectives

- **Provide a forum for Regional discussion of NERC Standards Development issues**
  - SARs
  - Standards
  - Interpretations
- **Produce voting recommendations on NERC ballot items for consideration by Texas RE and Registered Entities**
- **Collaborate on drafting group comments to be filed in connection with NERC projects**
- **Propose new or modified NERC/Regional standards for development**
  - Consider coordination between NERC/Region

# Possible Procedures

- **Open and balanced membership/participation**
  - Sector weighted voting structure
- **Chair selected by membership**
- **Periodic meetings by teleconference**
  - Email distribution list for latest developments
- **Voting recommendations developed by consensus or 2/3 vote**
- **Comments filed in name of NSS members who support them**
- **Chair provides periodic activity report to RSC**

# NSS Formation Plan

- **Solicit interested individuals to be members of the NSS by email announcement**
  - Recruit members as needed to achieve balance
- **Schedule an organizational meeting**
  - Elect Chair and Vice Chair
  - Decide on meeting schedule
  - Consider objectives/procedures/deliverables
- **Report to RSC in October**

---

# Questions/Discussion
